

June 1, 2007

Dear Parents and Guardians,

Wow! The time is flying by. I think the children have already gone on vacation. I'm feeling more and more like the teacher in the Charlie Brown cartoons that you never see. I think I'm just a droning voice in the student's backgrounds. Unfortunately, for them, the droning voice is still demanding that work be done and people listen. We have been earning some extra recess time during these warm days.

Next week, students will again have spelling homework as well as reader's letters. They will be taking an end of the year math assessment and sharing their writing. I have given them choice in this month's seating assignments but will change them if it becomes a problem.

Next Tuesday we have our field trip to the Shelburne Museum. If you signed up to chaperone your name will be listed below. If this is now a problem, please let me know as soon as you can. Students should bring a bag lunch with a drink in a non-glass container. There is a gift shop at the museum that the students are welcome to visit. We are not leaving school until 9:30 so chaperones do not need to be here until 9:15. Thank you.

Chaperones: Lisa Bushey, Gary Chambers, Roger Gordon, Karen Hatin, Sara McSweeney, Mary Myers, David Schramm, Rick Wood

Please be looking for a permission slip for our Bayside Day, which is June 11th. Students should bring a bag lunch on that day. We will spend the day playing games and enjoying the warm weather down by the lake. As I write this, I am not sure whether they will have a life guard at the beach so that we can swim. I will keep you informed of this fact.

Have a good weekend!
