

AT SOFTWARE

BASIC USER GUIDE - 2017-2018

Logging in:

Go to the [CHS Home Page](#).

- Go to 'RESOURCES' and then 'Faculty Resources'
- Click on 'AT Software'

To sign in -

- **User ID:** Your CHS Email Address (First.Last@colchestersd.org)
- **Password:** You should have received an email from Enriching Students that includes your user id and a temporary password.
- Once you sign in to AT Software (Enriching Students) you will need to reset your password. At the top right of the page, you will see "Welcome: (your name)." Select that, and a number of options will drop down. Select "Change Password."

- Enter and confirm a "New Password".
- When you are done, click "Change Password" to save.

A screenshot of a "Change Password" form. The title "Change Password" is at the top in a large, blue font. Below the title, there are two input fields. The first is labeled "New Password" with a red asterisk to its right. The second is labeled "Confirm Password" with a red asterisk to its right. Below the input fields is a button labeled "Change Password".

- If you forget your password click "Forgot Password?" on the bottom of the login screen and Enriching Students will email you.

Dashboard:

The dashboard page displays your weekly schedule, Monday-Friday. From this page you can view appointments for the week and year to date and take attendance; it is the place where you manage your weekly schedule.

To take attendance -

- Click on 'Take Attendance' and list of scheduled students will become available. You will mark students:
 - ★ Present/Active
 - ★ Present/Not-Participating
 - ★ Absent

The screenshot shows the AT dashboard interface. At the top, there is a header with the AT logo, the text "Powered by Enriching Students", and a "Submit Support Ticket" link. Below the header is a navigation bar with icons and labels for "Dashboard", "Scheduling", "Students", "Course", "Block Dates", "Requests", and "Settings". The main content area shows a "Start Date" of 07/17/2017. Below this, there are five summary boxes for each day of the week (07/17/2017 to 07/21/2017). Each box displays "# Seats All Periods: 15", "Attendees: 0", and "Final Attendance: 0", along with a "Take Attendance" button. At the bottom, there are two sections: "Struggling Students" (displaying "There are currently no Struggling Students to display.") and "Upcoming Adjusted Courses" (displaying "There are no Adjusted Courses currently scheduled.>").

- The first thing you see on your dashboard page is your 5-day schedule for the week. Each day has a box that displays your course, the number of available seats for that period, the current number of attendees, and the final attendance.
- If you'd like the week to display from a different starting date, you can click the 'Start Date' icon, and choose the desired day.

Scheduling Tab:

To get to the scheduling page, select “Scheduling” in the navigation bar.

CHS students are pre-booked for HomeBase on Mondays. The scheduling page displays the schedule of your HomeBase students for a 5 day period of time. This is where you will book your students for AT - Tuesday-Friday.

To schedule students for AT - click the 'Schedule' button on each of the days you wish to schedule them. Choose the 'Department' and 'Course/Teacher' the student needs to see and 'Save' the selection.

- Select 'AT' for the 'Appointment Type'
- Add a 'Comment' if you want to let students know why they are being scheduled
- Choose 'Appt Locked' if you wish to prevent others from changing a student's schedule

Quick Schedule -

The quick schedule feature was designed for a teacher who wants to schedule a student to their own homeroom or teaching class.

- To quick schedule a student, go to the student you'd like to schedule, on the day you'd like to schedule them on. Click the drop-down next to 'Schedule.' This drop-down displays your HB (HomeBase) and teaching course, with the room # and current # of available seats. Click the desired course, and the student will be scheduled.

Students Tab:

Checking Student Attendance -

To check student attendance select "Students" in the navigation bar.

- Using the drop-down menu under 'Homeroom Staffer' select your name. A list of your HomeBase students will be listed.
- Click the 'Student Profile' button next to each student's name. This allows you to check attendance and how students are using their AT.
- If you notice one of your HomeBase students has 8-10 absences, notify Erica (A-K) or Tim (L-Z). It's important to remind students that AT is credit bearing (.25).

Creating Groups of Students for Targeted Instruction/Enrichment -

Under the 'Students Tab' you can create ("tag") groups of students for targeted activities or instruction.

1. Click the box next to "Show my rostered students."
 2. Using the alphabetical range (A-Z), select a letter and the student names in that range will pop up.
 3. Under 'Students Not Assigned to Me', in the 'Enter One Tag' note how you will 'Tag' this group. Keep it simple (e.g. "Alg1" or "Mindfulness").
 4. Click on the names you want in this group.
 5. Repeat steps 2-4 for other students (use the same exact tag).
- You can create multiple tags for different groupings.
