

## In search of Fast Forward Presenters

Parents/Guardians,

This year Colchester High School will be holding **Fast Forward**, a career exploration journey for CHS students in grades 9-10. This event is to be held on May 19<sup>th</sup> at CHS while the juniors are taking the Science NECAP tests. The students will be attending sessions of their choice from various career fields. Each of the session presenters will be trained by our collaborators for this endeavor, Linking Learning to Life.

Students will soon be polled in their TA for careers that interest them and will be able to rank order the careers/presentations they wish to attend. If you have any suggestions for presenters or would like to volunteer yourself as a presenter for Fast Forward, please contact our community collaborator, Lindsey Lathrop, with Linking Learning to Life, at [llathrop@bsdvt.org](mailto:llathrop@bsdvt.org) or 951-8849.

If you have questions about Fast Forward please contact Ryan Parkman at 264-5707.
