Thank you to the MBS PTA, the MBS PE Department, and all of our family volunteers for supporting Field Day. Everyone had a fabulous time and it was a wonderful way to end the school year. I have included a few Field Day pictures below.

This is our final edition of the Osprey News for the 20-21 school year. We wish you a safe and restful summer vacation! We'll continue to share more information about the 21-22 school year via school messenger over the summer. You will also receive a welcome letter with information regarding your child's placement prior to the first week in August.

Respectfully,

PRESCHOOL

We want to thank you for sharing your children with us this year. It has been an honor to spend our time with them. They are an incredible group of caring and capable people. We have learned from them as much as they have learned from us.

We hope you have a wonderful and safe summer filled with lots of outside and family time.

Taylor, Nancy, and Darcie

NURSE

What a crazy school year this has been! Many thanks to all our fantastic MBS families for your flexibility, understanding, and compliance with all of the COVID precautions. Your diligence helped keep our school safe and healthy this year.

If you plan on traveling this summer, remember that some states have different travel regulations regarding COVID, and guidance varies depending on whether the traveler is vaccinated or not. Before you go, check the current guidelines for both Vermont and the location you are traveling to for the most up-to-date information. International travel has its own guidelines on the [CDC website](#).

I hope everyone has a safe, healthy, and fun summer! I look forward to seeing everyone in August!
