

Malletts Bay School Staff Newsletter

Week of February 18th, 2019

Joelle van Lent and Outright VT at 3/4 Inservice

During the March 4th inservice, Mara Iverson of Outright Vermont will be at Malletts Bay to present about gender and sexuality. This is part of our district's focus around equity as well as our school's focus on professional development specific to Equity. Immediately after Mara's presentation, Joelle van Lent will do an hour workshop on trauma and compassion fatigue. All schools in CSD are partnering to do professional development with Joelle this year. At this point, Joelle has worked with most of us

5th graders testing paper airplane prototypes in smaller groups. This will be a chance for us to do work as a faculty. In addition, Joelle will also be back on the afternoon of March 22nd to continue her work with us as a faculty.

Family Conferences, March 4th and 5th

Please consult this [best practices in parent teacher conferences](#) slide presentation.

Please email Jordan or Brooke as soon as possible if you would like an admin to be present at a conference.
