

## VIEW

Greetings CHS,

We have now been in school for nine weeks and have been impressed with our student population and their adherence to the health and safety protocols. Keeping our schools open is a community effort and our students have done a great job following the guidelines.

It's hard to believe but the end of this week marks the end of Quarter 1 - we've made it through a quarter of the 2020-2021 school year! The quarter officially ends on Friday November 6th. We hope to have report cards in the mail the week before Thanksgiving break.

In addition to following health and safety guidelines, students have been working hard to balance in-person learning, asynchronous learning, and remote Wednesdays. We know this is not always easy. Please do not hesitate to reach out to your student's teacher(s) and guidance counselor if you have any questions or concerns about how your student is doing in school.

We also have an incredible partnership with Centerpoint and offer support to parents/caregivers as you navigate the joys and challenges of raising a teenager (especially in a pandemic)! Please see the section later in the View about our CHS Family/Parent Support Program and consider taking advantage of this resource.

We are incredibly proud to share with you that Sue Rosato, the CHS English Learner teacher, has been named the 2021 Vermont Teacher of the Year. Ms. Rosato works directly with EL students as well as collaborating with classroom teachers, counselors, and families to ensure access to a rigorous education and the success of her students. She demonstrates a level of care and commitment to her students that we all admire.

We wish you a safe and happy November.

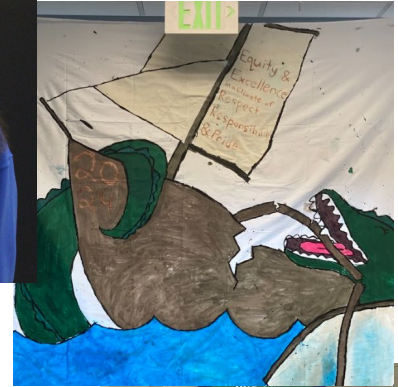

Warmly,  
Heather

# HAPPENINGS AROUND CHS...

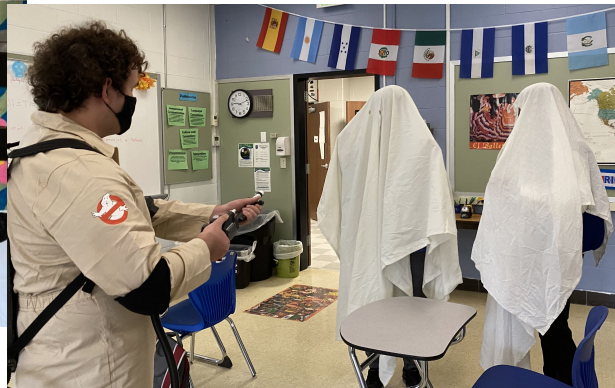

## SPIRIT WEEK 2020

We were not able to participate in class competitions this year, but there was definitely some school spirit in the building, and we were grateful to be able to celebrate some CHS Spirit Week traditions. We might have even discovered a new tradition! HB Kahoot was a big success. Thank you Mr. Beaudoin and Mr. MacArdle for going all out on this one!

Special shout out to Student Council and GLAS for their work to bring 2020 Spirit Week to CHS.

A big thanks to all of you who dressed up and showed your Laker pride. It felt good to see some Laker Love in the building.

## BASKETS

Dear families,

We are all so thankful to be back in school and making connections with our community. Whether it is in person through hybrid or fully remote it's amazing to be working with CHS students again this year. We were overwhelmed by the generous support we received last year and are hopeful we can have another successful year. CHS cares is thrilled to be thinking creatively around how we can continue to demonstrate care and support to the wonderful Colchester community.

2020 has been a challenging year for many and we anticipate an even greater need for our annual Thanksgiving drive due to COVID 19. This year CHS Cares will be partnering with Colchester Shaw's along with other local businesses to sponsor our annual Thanksgiving Day project. Shaw's has generously agreed to donate turkeys so we are hoping the community can come together to help donate non perishable items, and money to provide 27 families within the district with a complete Thanksgiving meal. There are a variety of ways that you can help.

During the month of November, have your child bring in canned goods and non perishable items and place them in the designated boxes in their Homebase. The last day for donations for Lakers is Tuesday 11/17 and the last day for Champs is Friday 11/20.

Some suggestions include: canned vegetables, canned pie filling, cranberries, rice, stuffing, potatoes, gravy, etc. We will also accept other non-traditional items such as pasta, cereal, peanut butter, tuna, baby food, and soups. Consider even looking in your own cupboards for an extra box of mac and cheese or soup to donate! Every little bit helps. We also accept cash or check donations made out to CHS.

If your company does matching donations, we are a non profit and can help make that happen.

This year we are being thoughtful around volunteers who will be sorting and packaging the boxes in order to ensure continued safety. At this point we will only be having CHS cares members and faculty or staff help with the assembly of the boxes wearing gloves, masks and practicing social distancing.

We are planning a different format for deliveries to reduce contact but will still need some volunteers to help get them where they are needed throughout Colchester. If you would be willing to drive up and have us put the boxes into your car with the directions on where to deliver it, we could use your help. We will be delivering on Friday 11/20/2020 leaving CHS between 3-4:30. We will have directions to the homes and keep them in similar areas. We will be using a sign up genius so please email Kerry to be added.

Thank you for your continued support of this worthwhile project!

## FUN IN THE LAKER LIBRARY

In honor of Dia de los Muertos (Day of the Dead), the Library created this ofrenda (altar) honoring Ms Barnes' relatives that have passed. "Ofrenda" means "offering" and is a significant part of the celebration as it brings us closer to loved ones who have passed away. Ms Barnes grandmother is at the top of the altar with other relatives on other levels, including her Dad. The ofrenda includes orange marigolds to lure souls to the earth, photos and keepsakes of loved ones, "papel picado" (paper banners) to represent wind and fragility and the traditional sugar skulls known as "calaveras" to remind of the shortness of life.

This year Dia de los Muertos is celebrated on November 1 and 2.

In some of Ms Rosato's ELL classes, they are reading *Ghost Boys* and talking about how we all "bear witness" to the people and events that come before us.

The ofrenda was constructed to also tie to our World Language classes. Ms Robinson (seen here with Ms Barnes) and Ms Turner lent materials and expertise.

# SENIORS

Seniors have received cap/gown and announcement information during HomeBase. Ordering instructions (both video and written) were emailed home to families the same week. If you have any questions about the ordering process, please reach out to one of the Senior Advisors, Mr. Richey or Mr. Perry, or Gabby Brooks in the main office

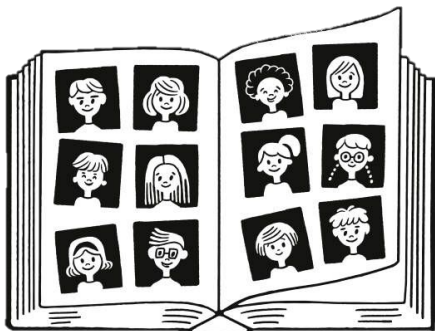

The deadline for ordering cap/gown from Jostens' is December 1st, 2020.

Senior Dues will also be due by December 1st, 2020. Senior Dues are \$20 and cover the cost of the class gift, flowers, and other costs associated with graduation. Senior Dues can be turned in to the senior advisers, Tom Perry or Jeff Richey, or to Gabby Brooks in the main office. All checks should be made out to CHS.

Seniors attending CTE can pick up the informational packet in the main office at CHS. The main office is open from 6:30am-3:30pm daily.

## SENIOR YEARBOOK INFO

All senior portraits (and other senior section photos) are due by **Friday, November 20th, 2020**. We strongly prefer that photos be submitted electronically (in .jpg format) - the picture quality is much better. You can submit photos via the forms linked to [this checklist](#) (preferred) or by sending them to [chsyarbook@colchestersd.org](mailto:chsyarbook@colchestersd.org).

If you are unable to submit photos electronically, you may put a hard copy in Ms. deLaricheliere's mailbox in the main office; yearbook staff will scan the photo and return it to you within two weeks.

More information about the senior section can be found [here](#).

## Buy your yearbook now!

There are two ways to order a yearbook:

1. Use your credit or debit card to pay online at [Josten's](#) website.
2. Write a check made payable to CHS, and submit it to Ms. deLaricheliere's mailbox in the main office along with an [order form](#). Seal it in an envelope and clearly label your name. **Sorry, we are no longer accepting cash for yearbook payment.**

**Yearbooks cost \$75.** We will be accepting orders until June 11th, 2021. If you don't pre-order a yearbook we only order 20 extras -- don't let your student miss out on this amazing publication! Order your yearbook now!

## ACTIVITIES & ATHLETICS

CHS would like to thank everyone that made the fall season an overwhelming success. We are a week away from the completion of the 2020 fall athletic season in the state of Vermont. I am so happy for all of our student athletes, especially our senior class for being able to participate in the activities they love and have invested so much time in over their lifetimes.

We will continue to wait on guidance from the state on what our winter season will look like; as we wait we continue to be proactive by looking at many different potential scenarios on how the winter will play out. It is our hope that the state provides us guidance allowing us to have a winter season that looks as normal as possible.

Again, a big thanks to all our Laker families for their continued support of all of our programs.

Mark Ellingson, CHS Activities & Athletics Director

Congratulations to all the Laker teams on completing their Fall seasons and best of luck to those continuing on in the Playoffs! Go Lakers!

# COLCHESTER FOOTBALL BOOSTERS

*And just like that...*  
2020 FOOTBALL SEASON IS A WRAP

## JV RECAP

With a quick 4 game season the JV team played their last game on Monday, October 19. We had a whopping 23 freshman join the program this year, bringing the JV numbers up to 40! That is a fantastic turnout!! They did a great job and we are all so proud of the progress they made in such a short amount of time! Way to go!

## VARSITY RECAP

Although the season is not what each player envisioned, this group of Varsity Lakers was able to overcome and make the best out of the season. We are all so proud of the dedication and effort that each player portrayed on and off the field. With a whopping 13 seniors graduating, they will leave some large shoes to fill! We look forward to welcoming all of our returning players back next year to play the game we all love!

THANK YOU!

In a year where we were met with challenges and our fundraising future was unknown, we had to think outside the box and get creative! We would like to send a sincere Thank You to all of our 2020 sponsors and families that contributed to the success of our 2020 season!

Thank You!

## COLCHESTER HIGH SCHOOL FAMILY/PARENT SUPPORT PROGRAM

Colchester High School is partnering with Centerpoint to provide a few consultation opportunities for parents and caregivers.

By appointment (in person, by phone, by Zoom) Danielle Jatlow, LICSW, LADC, Centerpoint Program Director, is available to discuss adolescent health and wellness.

Parents are invited to use the various opportunities to ask questions, increase developmentally-matched parenting skills and strategies, learn about community resources available to students and families, or just have a space to share.

**For more information, please contact  
Danielle Jatlow, LICSW, LADC, Centerpoint

### Parent/Caregiver Support Opportunity!

**OFFICE HOURS:** By Zoom, phone, or in person every **Wednesday from 12pm-2pm**. A place for parents to talk through adolescent health and wellness, and other parenting/family topics or concerns. Email me or call and we'll schedule you in for a timeslot!

**SMALL GROUP:** For parents & caregivers who want to discuss, share, vent, listen, and give/receive feedback about navigating additional overwhelm while parenting during COVID-19, ways to focus on parental health and wellbeing while caregiving, and other topics of interest brought by participants. Parents should email me and we'll find a day/time that works for all interested participants.

**INDIVIDUALIZED SUPPORT:** Parents are always welcome to be in touch with me to discuss individualized developmentally-matched parenting issues, concerns about mental health or substance abuse, or to learn more about how to access support for your child. Simply reach out by phone or email and we'll connect!

**GREETINGS!** My name is Danielle Jatlow, and I'm the Director of Community Health Initiatives at Centerpoint. I've been working with adolescents and families of adolescents for over 20 years—in San Francisco, New York City, and (for the past 10 years) in Vermont. I recognize there is no "one size fits all" approach to parenting and that adolescence is a stage of development characterized by change and transition—and this change and transition has meaningful impact on an entire family. For many (most), the overlay of COVID- 19 has made the joys and challenges of parenting adolescents even more complex.

Centerpoint is partnering with Colchester High School to provide family-focused, health and wellness support and resources to parents and caregivers. CHS Parents are invited to reach out to me to ask questions, explore developmentally-matched parenting skills and strategies, learn about community resources, or just have a space to share about parenting adolescents.

Additionally, we have developed the following opportunities this Fall/early Winter:

- **OFFICE HOURS:** In person, by phone, or by Zoom every Wednesday from 2pm-2pm. The purpose of the office hours is for parents to have a space to talk through topics or concerns. Parents can email me to set up a time to connect during the Office Hours.
- **SMALL GROUP:** For parents and caregivers who want to discuss, share, vent, listen, or give/receive feedback about topics such as navigating the additional feelings of overwhelm while parenting during this time of COVID-19, ways to focus on your own health and wellbeing while caregiving, and other topics of interest brought by participants.

If meeting as a small group is of interest to you, please do be in touch with me by email or phone and we'll figure out a day/time that works for interested participants.

- **INDIVIDUALIZED SUPPORT:** Parents and caregivers are always welcome to access me to discuss individualized parenting/caregiving issues, concerns about mental health or substance abuse, or to learn more about how to access support for your child.

My work cell phone is 802-777-5932 and my email is [daniellej@centerpointservices.org](mailto:daniellej@centerpointservices.org). Again, please do reach out—I would love to hear from you!
