VIEW

Dear CHS Families and Students,

It's hard to believe that this is the last Laker View of the school year! This Laker View contains important information about returning to CHS for more in-person learning and senior events (including prom and graduation!).

Learning Model Changes:

Thank you to all students and families who completed the survey regarding more in-person instruction at CHS. Our data indicates that although families were split about adding more in-person days at CHS, students overwhelmingly would like to keep their schedules "as is" for the remainder of the year.

In an effort to be responsive to both perspectives and needs, **we will continue to offer the two-day hybrid model** with one day of virtual classes (Wednesdays) and two days of asynchronous work. In addition, **we will accommodate students that choose to be in person four days a week (Monday, Tuesday, Thursday, and Friday).**

The Thursday before April vacation the district shared the following information about changes to the learning models at CHS:

CHS In-Person Learners: *Starting on Monday, May 10, all students currently enrolled in in-person learning will have a choice to attend school in person on their asynchronous days. Wednesdays will continue to be a fully remote day and students will follow their normal Wednesday schedule. Students who choose to attend CHS four days a week will follow their normal class schedule on their asynchronous days and complete their assigned asynchronous work in the classroom while the teacher instructs the scheduled group of in-person learners. When possible, students will also be able to participate in class activities, receive feedback on their work, and engage in enrichment activities.*

To ensure the success of this model and to make necessary changes, CHS will ask students and their families to commit to returning to CHS four days a week for the remainder of the year (beginning on May 10th). After the break, look for a survey where you can indicate if your student would like to come four days a week.

CHS Virtual Learners: *Students currently enrolled in VTVLC will continue to learn remotely.*

Continued on the next page...

Students who opt-in to the four-day a week by choice model will be able to complete their asynchronous work at CHS and participate in class activities when possible. Teachers will not be assigning additional work for students who opt to be at CHS on their asynchronous days.

What will students be doing at CHS during their asynchronous days?

Students who opt-in to four-days a week will follow their normal class schedule, including Homebase. On their asynchronous days, students will complete their assigned asynchronous work in the classroom while the teacher instructs the scheduled group of in-person learners. When possible, students will also be able to participate in class activities, receive feedback on their work, and engage in enrichment activities.

Why would a student opt-in to this model?

Students might choose to be at CHS four days a week for a variety of reasons, including more time connected to other students and teachers, increased support, engaging in established routines for more days, ability to see content a second time, and stronger internet connectivity.

When does this start and what do I need to do?

*We will start on May 10th and it will continue for the remaining five weeks of school. Please complete this form: [Four Days a Week at CHS Choice](#) if you would like to sign your student up to be at CHS on their asynchronous days for the remainder of the year. **We ask that you complete the form by Sunday May 2nd.** There is no need to fill out the form if you choose to remain in the current model.*

Why can't I choose to attend some classes on some days and not others?

As you can imagine, bringing back more students requires significant logistical planning, from room arrangements to furniture reallocation to attendance and tracking of students to food services to transportation. In addition, bringing more students back adds additional planning and preparation considerations for teachers. We ask students and families to make the commitment for the addition of both days for the remaining five weeks of school to ensure the success of the change.

Will attendance be taken in classes on the asynchronous days for students who opt-in?

Yes, attendance will be taken for the students who are scheduled to be in-person. If your student is sick or needs to be out a mod for an appointment, even on their asynchronous days, please follow the normal attendance procedures.

Is there a penalty for students who stay in the current hybrid model and don't opt to come to CHS on their asynchronous days?

Absolutely not! We anticipate (based on the data) that most students will maintain their current schedule. Teachers will not be teaching new or additional material to the asynchronous students.

There is no "right" decision! We encourage you to speak to your student to determine what is best for them and your family.

If you are interested in returning to CHS four days a week, please complete the Google form by Sunday May 2nd: [Four Days a Week at CHS Choice](#). Thank you!

End of Year Schedule:

Please note the week after Memorial Day we will have two Laker days (Tuesday June 1 and Wednesday June 2) and two Champ days (Thursday June 3 and Friday June 4).

The last two days of school are Monday, June 14 and Tuesday, June 15. Both Monday and Tuesday are Laker days.

Senior Events:

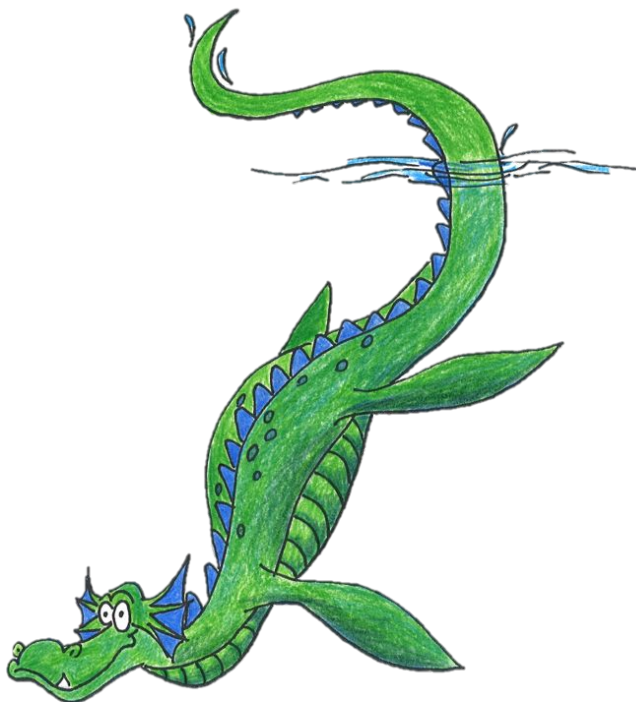

We are excited to be in the planning stages of two very important end of year senior celebrations - prom and graduation! Seniors and senior families will be receiving a “senior mailing” next week with more information about the end of the year, including graduation practice dates, class night, graduation, and senior prom. In the meantime, we would like to share a few details and dates for these events so seniors and their families can plan accordingly!

We will hold a **Senior Prom** for the CHS Class of 2021 on **Saturday, June 5th from 6-9pm at CHS**. This will be a formal event for CHS seniors only. Expect music, dancing, food, formal pictures, and more!

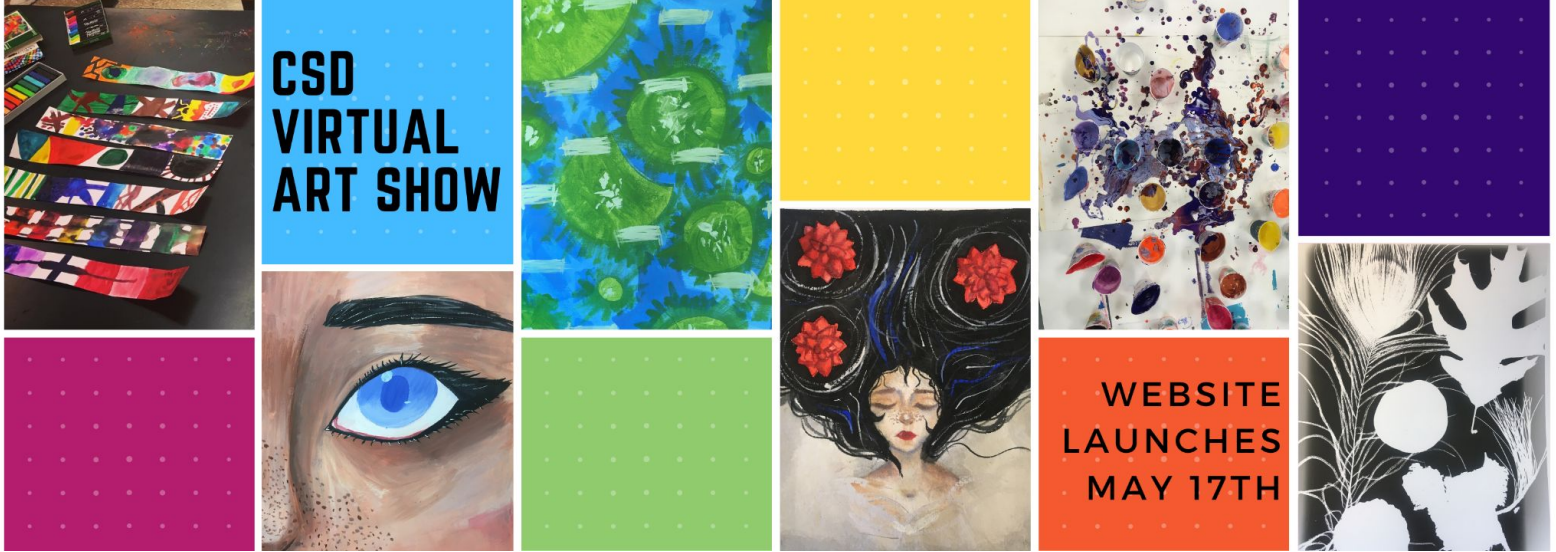

We will hold **Class Night** on **Friday, June 11th at 7pm** at CHS in the Performing Arts Center for all seniors. **Graduation** will take place on **Saturday, June 12th at 10am** on the CHS football field.

Please be on the look-out next week for the “senior mailing” with more information, including specific details related to each event.

Thank you,
Heather

Equity, Diversity, Inclusion, Social Justice Audit

This year the CHS Library has initiated a complete EDIS audit in both our collection and our physical space. The audit includes examining and analyzing our existing print and digital collection and our ongoing book/materials orders to ensure that they are inclusive and representative of all experiences and perspectives, as well as looking at our physical and online space with an eye towards providing equitable access to our library resources for all of our students. The audit also includes work around creating a space which reflects our commitment to the principles of EDIS and which encourages thoughtful reflection by our school community around these principles. We're examining our web presence, our displays, our physical layout of furniture and materials in the space, and items such as signage to create a more welcoming and inspiring space. It's important to recognize that this work is ongoing. There is no finish line. It is about cultivating and maintaining an awareness in all that we do and all that we offer in the library so that we can effectively serve and support all of our students, faculty, and staff. We welcome questions, comments, or ideas.

Email the Librarian, [Frances Binder](#) to share your thoughts.

Colchester Theatre Company's fall/winter production is now available to stream via [this link](#). CHS Green Team is leading CHS with Green Up Day activities. Please reach out to your club's advisor to see what is on tap for this spring.

Games have started for all spring sports, and spectators are welcome. Please see our [spectator protocol](#). LCATV has agreed to stream many of our home games; you can find the schedule and link to the stream [here](#).

Lastly, we look to honor many of our athletes on **Sports Awards Night**, which will be held on **Monday June 7th**. More details to follow.

Thank you, and GO LAKERS!

Mark Ellingson, Activities & Athletics Director

Good luck to all of our Spring student athletes as their teams continue on this season. We are sure everyone is relieved and excited to have a Spring season this year! Go Lakers!

Please remember to return your uniforms at the end of the Spring season. We are still missing a few Winter uniforms and would love for students to return them so that we do not need to send out invoices to families for reimbursement. Please drop your uniform off in a bag labeled with your name with Mark Ellingson or you can contact chscaba@gmail.com to make other arrangements.

Reminder that the CABA online apparel store will reopen August 2021. If you need any apparel before August, please visit the Project Graduation apparel store to help support our 2021 Seniors! [Online Store HERE](#)

And speaking of Seniors....CABA would like to wish all of our Seniors well as they move on from CHS and pursue whatever is next on their path. While this may be the first season of Spring sports for our 9th and 10th grade students, it is the third and final Spring season for our Seniors. Hopefully they will take with them many wonderful memories of their time at CHS. **Congratulations Class of 2021!**

For those who will be new to CHS in the fall or anyone else interested in being a CABA volunteer, please reach out with any questions or to express interest at chscaba@gmail.com. Please join us we are always looking for new volunteers and we select new officers for the board each Fall. We typically meet once a month during the school year. We have met virtually for the past year but are hopeful we can return to in-person meetings in the Fall.

What does CABA (Colchester Athletic Boosters Association) do for Colchester High school sports?

CABA purchases uniforms for Cross Country, Field Hockey, Golf, Soccer, Alpine Skiing, Basketball, Dance, Nordic Skiing, Baseball, Lacrosse, Softball, Tennis and Track and Field. CABA also helps buy essential equipment and invests in large scale projects. These are expenses that are not covered by the school budget with tax revenue. All CABA apparel purchases help support this mission.

COLCHESTER FOOTBALL BOOSTERS ASSOCIATION

Matthew Fournier is a scout with BSA Troop 658 in Winooski VT, and he is working on his Eagle project. The project Matthew chose is to build a secure room for the Colchester Football Team for improved equipment storage. He is raising money to buy all of the necessary materials to build this room. The Eagle Project is planned for June 2021, and Matthew's goal is to raise \$2300. Any amount of money/support is greatly appreciated, and with your help, the Colchester Football Program will benefit.

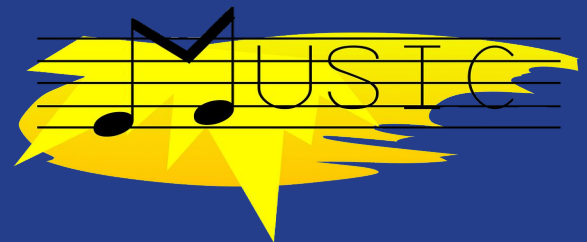

As we all know this is a long overdue project and having a secure storage area is needed. All of us here at CFBA are super excited that he has picked our football organization to be the recipient of his great volunteer efforts. FREE in-person, hands-on, fun summer programs for teens!!

Please note: we hope to be able to offer these workshops and are awaiting final approval to resume in-person activities.

Please share the following opportunities with others.....**our programs are open to ALL teens!**

Summer of Science: We are working hard to offer a cool line-up of interesting science topics this summer! So far we have workshops on **herpetology, microbiology, virology, plant science, rocketry, geology** and more! These workshops will be held end of June - end of July; dates, locations and times are still be worked out. We will notify interested participants as soon as registration opens. [Sign up to get on our Summer of Science notification list.](#) For grades 7-12.

Natural Resources Management Academy: For teens entering grades 7-12 in the Fall who are interested in the environment and ready to explore, in depth, their passion for Vermont's natural resources. This program is held at the Green Mountain Conservation Camp, Buck Lake in Woodbury. [Learn more here.](#)

We also are offering a **full scholarship for 8 teens** to participate in the **virtual Citizenship Washington Focus** this summer! Citizenship Washington Focus (CWF) is a leadership and citizenship program for high school age students. While it typically takes place in Washington, D.C., this year it will be held in a virtual format. Open to all youth in grades 9-12. [Learn more](#) and [apply](#) by May 15.

And, coming up May 18 & 20 - check out this professional development opportunity!

Askable Adult Training: "Kids are not okay," Governor Scott said during the Feb. 26 statewide COVID press briefing. Around 70% of Vermont youth reported in a recent survey that the COVID-19 pandemic made their anxiety/worry, mood or loneliness "a little" or "a lot" worse. And 38% of youth reported that they felt difficulties were piling up so high that they sometimes or often could not overcome them in the past month. Now more than ever our youth need askable adults! This training is designed for adults who are interested in becoming more "askable" and supportive for the youth in their lives. Open to **all adults, educators, summer programs and camp staff, parents, youth development professionals** and **youth group volunteers**. Registration will be capped at 35 participants; participants must attend both sessions May 18 & 20 from 11:30 am - 1 pm.

Many more programs will be announced soon on our website...

Book mark our site: www.uvm.edu/extension/youth/announcements and "like us" on Facebook ([Vermont 4-H](#)) to stay connected and informed.
