Dear CHS Families,

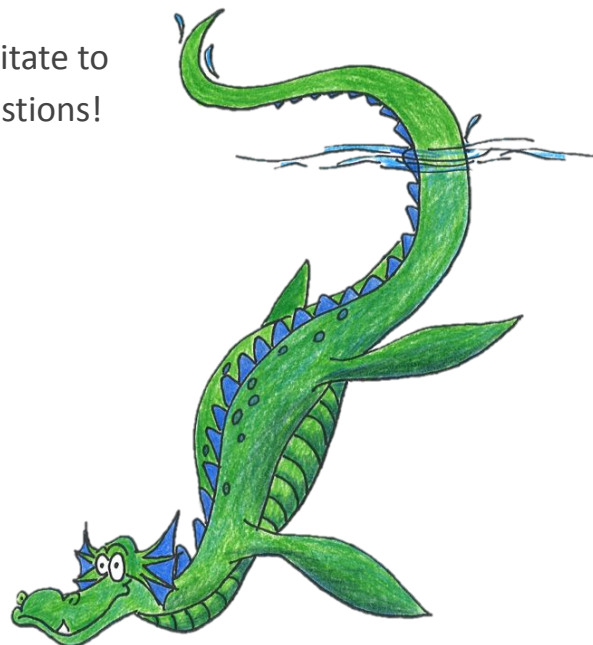

It's hard to believe that Quarter 1 is over and we are halfway through first semester! Report cards will be mailed home by the beginning of next week. Please do not hesitate to reach out to your student's teacher(s) or school counselor if you have any questions or concerns about their academic progress.

The district technology department will be doing work upgrading PowerSchool from Friday, November 19 through Wednesday, November 24. Powerschool will be unavailable during this time. Thank you for your patience.

Lastly, Colchester High School is accredited through the New England Association of Schools and Colleges (NEASC). Part of the accreditation process is to get feedback from families, faculty, and students about your experience with CHS. Please take a few minutes to complete the [Family Survey](#). You can find more information about NEASC on the next page.

As always, please do not hesitate to reach out to us with any questions!

Warmly,
Heather Baron
Principal

NEASC

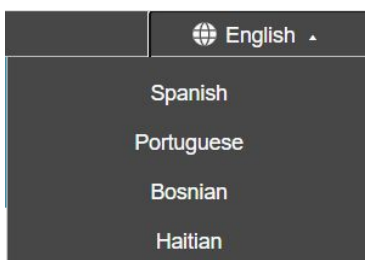

Dear Colchester High School Students and Families,

Colchester High School is accredited by the New England Association of Schools and Colleges (NEASC). The NEASC process includes: “self-reflection, peer review, school improvement, and monitoring to ensure all students experience a high quality education.” George Edwards, Director of NEASC states, “Accredited public schools are dynamic learning communities where teachers, administrators, staff, students, and parents are committed to the ongoing pursuit of the highest quality education.”

As part of the accreditation process, CHS is completing a Self Reflection. Students, families, and faculty members will complete surveys designed to provide our school with important feedback on our work. In order to deliver great teaching and learning, it is important for CHS to collect student and family feedback. We hope to learn more about what is working well for our students and identify areas for growth and improvement. **Students will have an opportunity to complete the survey during Homebase on Friday, Nov. 12.** Students not present on the day the survey is given or students not enrolled in a Homebase, can access the survey through the link we will email them on Friday, Nov. 12.

Parents/guardians will also be surveyed. We ask that every family complete one survey. You do not need to complete multiple surveys if you have more than one student in the school. The survey can be completed on a computer, tablet, or phone. You do need to complete the survey in one sitting as your answers will not save until you hit submit.

Family Survey: <https://surveys.neasc.org/s3/NEASC-CPS-Family-Survey-2024?id=13>

The family survey is available in multiple languages. Please use the drop down menu on the top right of the screen to select the language. If you would like access in a language other than what NEASC provides, please email katie.lenox@colchestersd.org.

Thank you very much for your support in this valuable process. Your student can also speak with their homebase advisor with any questions.

Sincerely,

Heather Baron, Chad DeMagistris, Emma Morrissey, Katie Lenox
NEASC Steering Committee

Giving Thanks BASKETS

Dear families,

Having the hustle and bustle of all our students together again has brought a new energy to CHS. We had lofty goals for our drive last year during the pandemic and we far exceeded them, thank you to our generous community. CHS cares is thrilled to have all hands on deck this year to support giving back to our community.

This year CHS Cares will organize "Giving Thanks" baskets to honor all that we are grateful for and to give back to those who may need a little extra. We will again be partnering with Colchester Shaw's along with other local businesses to sponsor a food drive for 27 families in our community. There are a variety of ways that you can help.

During the month of November, have your child bring in canned goods and non perishable items and place them in the designated boxes in their Humanities class. The last day for donations is Thursday 11/18. We will be organizing and delivering the boxes on Friday afternoon 11/19.

Some suggestions include: canned vegetables, canned pie filling, cranberries, rice, stuffing, potatoes, gravy, etc. We also encourage items such as pasta, cereal, peanut butter, tuna, baby food, and soups. Consider even looking in your own cupboards for an extra box of mac and cheese or soup to donate! Every little bit helps. We are happy to accept cash or check donations made out to CHS but items would be the most helpful due to concerns around items being stocked.

If your company does matching donations, we are a non-profit and can help make that happen.

We are planning to utilize a similar format to last year for deliveries. We will need some volunteers to help get them where they are needed throughout Colchester. If you would be willing to make a delivery of the boxes of food with the directions on where to deliver it, we could use your help. We will be delivering on Friday 11/19/2021 leaving CHS between 3-4:30. We will have directions to the homes and keep them in similar areas. Sign up [here!](#)

Thank you for your continued support of this worthwhile project!

HAPPENINGS AROUND CHS...

Students in *Viva Cultures of the Spanish Speaking World* have been busy engaging in a variety of cultural activities including identity mask making and a corn vs flour tortilla battle. The course aims to introduce students to art, music, food, crafts and culture from Hispanic countries and allow them to explore through hands-on learning opportunities!

EN LA BIBLIOTECA / IN THE LIBRARY

Check out the Altar and Ofrendas (offerings) for Día de Los Muertos (Day of the Dead) created by CHS Library Assistant, Cindy Barnes. This display will be visited by our World Languages students and our ELL students. Altars are an important part of Día de los Muertos, a festival rooted in Aztec beliefs. Día de Los Muertos (November 2) is widely celebrated throughout Mexico and in other Latin American communities, including in the USA. Celebrants enjoy the opportunities to connect with the spirits of loved ones who have passed.

This is one of a number of displays Ms. Barnes has created this year. Others include the history of Halloween, Banned Book Week, and Spirit Week "We Read Blue and Green."

Colchester Theatre Company Presents *Puffs!*

November 11-13 at 7:00, Colchester High School Theatre Company presents *Puffs! Or Seven Increasingly Eventful Years at a Certain School of Magic and Magic*. Students have been working hard to bring this quirkily magical comedy to life. You

may be familiar with a certain fantastical story about a bespectacled boy wizard and his journey fighting the evil that threatens the wizard school he attends. *Puffs* is not that story; it is an ode to the outcasts, to the side-characters who were there the whole time and you may have overlooked. Tickets to see the performance are \$10 at the door. We hope to see you there as we welcome live theatre back into our community!

ACTIVITIES & ATHLETICS

CHS would like to thank everyone that made the fall season an overwhelming success. We are a week away from the completion of the 2020 fall athletic season in the state of Vermont. I am so happy for all of our student athletes, especially our senior class for being able to participate in the activities they love and have invested so much time in over their lifetimes.

We will continue to wait on guidance regarding what our winter season will look like. We know that the winter season will begin on Monday November 29, with competitions to follow as the calendar turns to december.

[Click here to register for Winter Sports](#)

Again, a big thanks to all our Laker families for their continued support of all of our programs.
Mark Ellingson, CHS Activities & Athletics Director

C Congratulations to all of the Fall teams on a season well played. And good luck to those still in the playoffs!! Thank you to all of the families who volunteered to work a shift (or two) in the concession stand! CABA has been providing concessions during home soccer games and profits from the concessions help pay for uniforms and other needed equipment for CHS teams. We cannot do this without your help so thank you again for continuing to help support our athletes! There are just a couple of more shifts left to work this season ([Concession Sign Up](#)) and then we will see you in the concession stand again next Fall! We would like to thank the local businesses that help support Colchester athletes through CABA: Broadacres Bingo, The Spanked Puppy, Three Brother's Pizza, ACE hardware, McKenzies and Coca-Cola.

A CABA has the apparel store open for business so you can get your Laker gear! Our store has many new and exciting items to choose from to show your [#lakerpride](#). All orders will need to be picked up at Joann's in Colchester. Check it out here [CHS CABA online store](#).

A CABA meets on the second Tuesday of every month. Please join us at our next meeting on Tuesday November 9th. Anyone interested can email chscaba@gmail.com if they would like to attend the next meeting and/or if they have any questions about becoming part of CABA.

What does CABA (Colchester Athletic Boosters Association) do for Colchester High school sports?

CABA purchases uniforms for Cross Country, Field Hockey, Golf, Soccer, Alpine Skiing, Basketball, Dance, Nordic Skiing, Baseball, Lacrosse, Softball, Tennis and Track and Field. CABA also helps buy essential equipment and invests in large scale projects. These are expenses that are not covered by the school budget with tax revenue. All CABA apparel purchases help support this mission.

Parents, grandparents, friends and athletes are all welcome to volunteer with CABA.

- E-mail chscaba@gmail.com with any questions or to volunteer.
- Follow CABA on Facebook at <https://www.facebook.com/CABAVT/> or on Instagram
