Dear CHS Families,

It is hard to believe, but we are officially half-way through the 2021-2022 school year! We ended Quarter 2 / Semester 1 with midterm exams mid-January and report cards were mailed home last week.

This time of the year also marks when we begin our process for course selection and registration for the next school year. On the following page we have outlined our timeline and process for 2022-2023 course requests and registration. Here you will find information about the process for students to review the CHS Program of Studies with their HomeBase teachers and register for courses for 2022-2023.

HomeBase teachers have already begun guiding students through four HomeBase sessions. These HB's are designed to provide the "thinking" time for course selection. The electronic registration process is the mechanical component to registering for classes, which will happen during the last of the four Homebases.

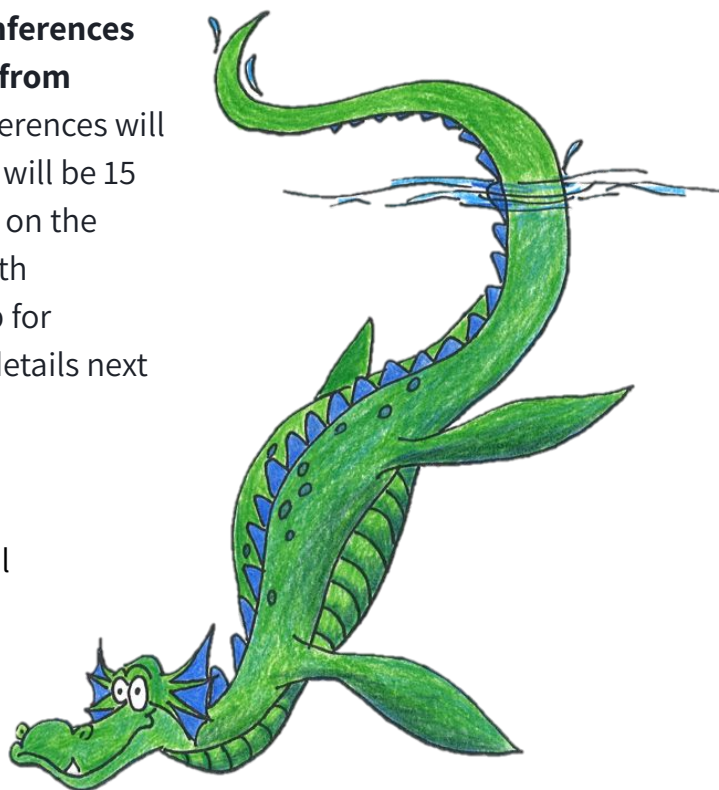

We will hold **Family Conferences on Tuesday, March 1st from 10:30am-6:30pm**. Conferences will be virtual via Zoom and will be 15 minutes long. Please be on the look-out for an email with directions for signing up for conferences and more details next week.

Warmly,

Heather Baron, Principal

DEAR CHS FAMILIES,

It is hard to believe, but yes, we are already beginning our process that signs your student up for next years courses! Below we have outlined for you our timeline and process for 2022-2023 course requests.

The intent of this document is to outline for you how students will register for classes and what role homebase teachers have registering students.

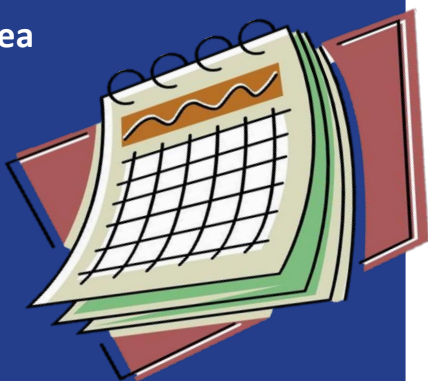

You will see in our timeline that homebase teachers will guide students through three extended homebase sessions.

The three extended HBs are designed to provide the “thinking” time for course selection, while the electronic registration process is the mechanical component to registering for classes. We would like to thank the 9-11 grade Humanities teachers for providing class time to our electronic registration process.

Thanks,

Heather Baron

SCHEDULING 2022-2023

January 24: 45 minute homebase :Program of Studies and Talking Points:

The purpose of this is to provide time for students to read and review the CHS Program of Studies.

During this Homebase teachers read and review with students “Talking Points” from each department area. The talking points highlight key points that students need to know about each department’s course catalog.

January 31: 45 minute HB: 4 Year Credit Check and A/B Day Grid:

The purpose of this HB is to give students the opportunity to review their CHS transcript.

Reviewing the transcript is important for two reasons: it allows us to catch computer errors, as well as reminding students of what they have already taken. As students review their transcript they will work with their Homebase teacher to complete the 4 year credit check form. It is very important that students have time to review the transcript and complete this form prior to course registration as it helps your student determine what courses to take for the following year.

February 7: 45 Minute HB: Registration (PAPER)

The purpose of this HB is to have students sign up for next year’s classes on a paper form.

The paper forms are designed to make the online registration easier. It also provides think time to students so that when they are ready to electronically sign up the process is more efficient and accurate

Electronic Registration:

Please note that students will register electronically for classes during the second week in February. You will be able to view their course requests in Parent Portal. You will NOT be able to see the students ACTUAL schedule until they are mailed home this summer by guidance. Any student who is absent will be registered by a school counselor. All students who attend one of our technical centers will be registered at their respective schools prior to February break.

HAPPENINGS AROUND CHS...

APES Students Get Their Feet Wet to Build Understanding

Despite the pandemic and doing our best to follow all safety protocols, the AP Environmental Science class left the walls of CHS behind to open our minds with hands-on fieldwork. With the guidance of the UVM Watershed Alliance, students conducted baseline water quality research on Lake Champlain aboard UVM's research vessel the *Melosira*, then traveled up the watershed to assess the biological, chemical, and physical health of Indian Brook, one of many tributaries to the Lake.

Led by Rhonda Mace of the Chittenden Solid Waste District, we explored first-hand what happens to our waste when we're "done" with it as a way to critically analyze how our own choices and actions - from what we purchase to how we dispose of it - impacts the environment from "cradle to grave."

And, to better understand population dynamics, we worked with Chittenden County Forester, Ethan Tapper, to assess the impacts of the invasive LDDs (formerly known as gypsy moths) on the CHS forest and Monarch Watch to rear, tag, and release monarch butterflies to help assess the global status of this threatened species.

It was a busy fall, and more learning adventures await this spring.

EARLY RELEASE 2021-2022

Wednesday, September 29th, 2021

Wednesday, December 8th, 2021

Wednesday, February 2nd, 2022

Wednesday, April 6th, 2022

On the four early release days listed above students are released at 12:10 PM. The bus situation for tech students will be as follows.

Essex Tech bus will bring students back to CHS at 2:30 and they are responsible for finding their own ride home. The bus that picks up students will be doing the Milton/Georgia route, so any students needing to go home to Milton/Georgia should stay on the bus. Any students who are unable to attend CTE because of transportation issues should contact Carolyn Dickinson, CTE Assistant Director at 802-857-7534 or cdickinson@ewsd.org.

BTC transportation will be provided for BTC AM and PM students. The BTC AM students will take the bus as usual, returning to CHS for the 12:10 p.m. dismissal. The BTC PM students will depart CHS at their regularly scheduled time and be transported home following their regularly scheduled and individualized transportation plan.

UVM Summer Academy

UVM Summer Academy is an immersive, academically challenging 4-week virtual program designed for high school students who have completed 10th, 11th, or 12th grade and are interested in earning college credits while exploring a relevant academic interest. Summer Academy courses are designed specific for and enroll only pre-college students.

Our program offers high school students the incredible opportunity to learn from renowned professors and experience an intensive online academic environment. You'll study alongside like-minded students, showcase your potential to college admissions officers, and even earn 3 transferable college credits. You can use one of your two Dual Enrollment Vouchers for this course. **MORE INFORMATION CAN BE FOUND AT:** <https://learn.uvm.edu/pre-college/summer-academy/>

Our virtual course options allow you to access UVM academics from wherever you are. Students who participate in Summer Academy:

- Stay intellectually engaged over the summer and avoid boredom
- Are exposed to new ideas and perspectives
- Explore topical content areas such as COVID-19 or the Global Climate Crisis through interactive online courses
- Make new friends from around the country
- Pay high school reduced tuition rates or utilize Vermont dual enrollment vouchers which cover cost of tuition

UVM Summer Academy is a 4 week online program

Dates: July 5 – 29, 2022

UVM Summer Academy courses are taught by UVM faculty, and students are evaluated by the same academic standards and procedures as UVM undergraduate students. Completed college credit courses will result in an official college grade and will be added to the student's University of Vermont transcript.

BETA High School Job Shadow Program

About BETA

BETA is a Burlington, Vermont-based aerospace and electric aircraft manufacturer developing fully electric vertical take off and landing (eVTOL) aircrafts, and related charging networks.

Program Mission

BETA's goal is to give back to our local community and encourage education in the STEM disciplines. BETA will achieve these goals by presenting opportunities for career exploration to young adults in the community and supporting Vermont workforce development.

Program Overview

The BETA High School Job Shadow Program is an eight week rotation program, where students have the opportunity to shadow various teams and disciplines at BETA. Students will be required to dedicate up to 4 hours per week to the program where they will follow team members as they perform regular duties, which may include hands-on activities that students may be able to participate in, as well as meetings discussing the design of a component or a plan to implement a new design. Potential teams/disciplines students may shadow: Charging, Batteries, Motors, Manufacturing, Flight Simulation, Airframe and Powerplant Maintenance, Electronics, IT, and Mechanical Engineering.

Program Details

- Applications accepted between **FEBRUARY 1, 2022 - APRIL 15, 2022**: www.beta.team/careers
- Interviews will be conducted between **MAY 1, 2022 - MAY 20, 2022**
- Selected students will be notified on **MAY 27, 2022**
- The program coordinator will work with students via email to work through scheduling details
- The program will kick-off on **JUNE 29, 2022** and will run through **AUGUST 17, 2022**

SCHOOL COUNSELING CONTINUED

INTRO TO COLLEGE AND CAREERS AT CCV:

INTRODUCTION TO COLLEGE & CAREERS (ICC)

As a Vermont high school sophomore, junior or senior, you can take a FREE course that helps you get ready for college.

Offered at all 12 CCV statewide locations, and some high schools, ICC helps high school sophomores, juniors and seniors:

- Set goals and problem-solve
- Manage time and stress
- Improve communication skills
- Take better notes and reduce test anxiety
- Plan finances for college
- Explore career options

Books!

Featured in February

We've put together a couple of reading lists for you to peruse during Black History Month (and all year long) which center the voices, perspectives, and experiences of Black Americans.

Check them out:

- [Featured in February - Fiction and Poetry](#)
- [Featured in February - Nonfiction](#)

We hope they'll give you some good ideas for fabulous reads about not only history, but also joy, magic, life, and love (among other things). You can also search the [library catalog](#) yourself by clicking on the link.

New Books

Want to see what's **new** in the library collection? Check out [this list](#) of recently added titles and be the first to check out one of these great books!

Book Challenge 2022

And...If you want some **additional inspiration** for your reading list this year, see Ms. Barnes or Ms. Binder to pick up a copy of our [Book Challenge 2022](#). The challenge includes 39 unorthodox categories with suggestions like "read a book with a color in the title" or "read a book that was published in your birth year." Find a book that looks good to you and see if it matches one of the challenge categories or use the categories to help you find a book. Keep your eyes out for more book ideas in the hallways...

Research Tools

ProQuest - U.S. Major Dailies

Our newest [database](#) gives the CHS community access to the entire contents of **five major daily newspapers**:

- Chicago Tribune
- Los Angeles Times
- New York Times
- The Wall Street Journal
- The Washington Post

And as an added bonus, the subscription also includes access to two other ProQuest databases that may be of interest:

- *Coronavirus Research Database*
- *Publicly Available Content Database*

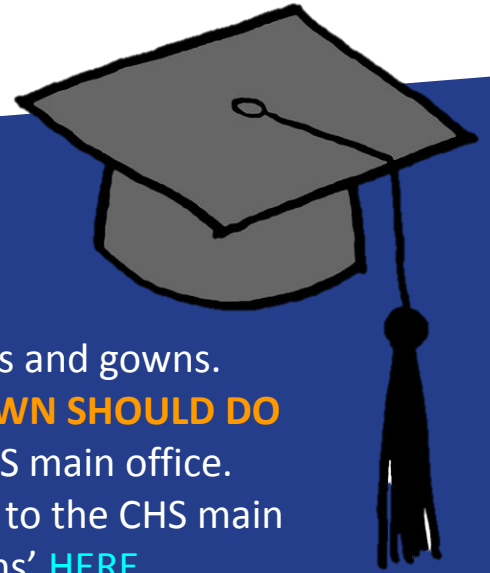

Britannica School Insights Chrome extension

Want to boost your Google searches? The [Britannica School Insights Chrome extension](#) provides a window of Britannica search results whenever you perform a Google search (where Britannica results are relevant/available). It's a great way to keep vetted resources at your fingertips when conducting Google searches.

SENIORS

CAP/GOWN & DUES INFO:

Thank you to the many seniors who have ordered their caps and gowns.

STUDENTS WHO HAVE NOT YET ORDERED A CAP AND GOWN SHOULD DO SO AS SOON AS POSSIBLE. Extra order forms are in the CHS main office.

Cap/gown/tassel order forms and dues should be returned to the CHS main office. Cap/Gown orders can also be placed online at Jostens' [HERE](#).

Senior Dues can be turned in to Gabby Brooks in the main office. Senior dues are \$20 and cover the cost of the class gift, flowers, and other costs associated with graduation.

STUDENT DEBT

Please remember that it is your student's responsibility to keep track of any outstanding debt (lost books, parking fines, or damage to equipment) that he or she might have. If you are unsure whether your child has any debt, feel free to contact Hope Renadette, bookkeeper at Colchester High School 264-5702 or Hope.Renadette@colchestersd.org

BUY YOUR YEARBOOK NOW!

There are two ways to order a yearbook:

1. Use your credit or debit card to pay online at www.jostens.com.
2. Write a check made payable to CHS, and submit it to Ms. Gagne's mailbox in the main office along with an order form (available in the main office). Seal it in an envelope and clearly label your name. **Sorry, we are no longer accepting cash for yearbook payment.**

You can order your yearbook starting on August 1st, 2021 for \$75. We will be accepting orders until June 11th, 2022. If you don't pre-order a yearbook we only order 20 extras - don't let your student miss out on this amazing publication! Order your yearbook now!

Please visit the CHS Yearbook website for more information (CHS Website >Other resources >Resources >Yearbook).

PROJECT GRADUATION

COLCHESTER HIGH SCHOOL

CLASS OF 2022

Project Graduation is a substance free celebration for graduating seniors on the night of graduation and will be held the night of June 11, 2022. The event is sponsored by local businesses and fundraising. The event is not sponsored by the school and is a separate entity made up of parents of graduating seniors.

Meetings: 1st and 3rd Monday of every month
(Next meeting is Feb. 7th at 6:00, CHS, Room 101)

Email: Make sure you are on our email list - if you are not getting our emails and would like to, send a request to projectgradplan2022@gmail.com

Upcoming Events:

- **Colchester Winter Carnival:** Saturday, Feb 5th. 10:00 AM-3:00 PM (Bayside Park)
Please sign up [HERE](#) to volunteer to sell concessions or to donate baked goods and other food items. Students, remember your name gets added in for a June raffle each time you volunteer!
- **MacBook Raffle:** Buy a raffle ticket for a chance to win a MacBook Pro. Tickets are \$30 and only 300 tickets will be sold. The drawing will be held on February 21 at the Boys Basketball game. Use this [link](#) to purchase tickets.
- **Calcutta:** We will be having a virtual calcutta on March 3. \$50/ball + \$10 insurance/ \$1000 prize. Email projectgradplan2022@gmail.com to purchase a ball. Tickets available at: <https://go.eventgroovefundraising.com/2838e0/Campaign/Details>
- **Comedy Divas:** Join us on April 2nd at the American Legion for an evening of laughs. More information to come.
- **Silent Auction:** We are looking for donations from businesses and/or baskets from parents to include in our silent auction. The Silent Auction will take place during the Comedy Divas show. Please email your donation idea to projectgradplan2022@gmail.com and we will work out a plan for delivery.
- **Business Sponsors and Family Donations** - if you or your employer is willing to make a tax deductible donation, please make a check to CHS Project Graduation and mail to:
Colchester High School
Attn: Project Graduation
PO Box 900
Colchester VT 05446

Other ways to support Project Grad:

- Join our Facebook page - Colchester High School Project Grad 2022
- Wash the winter salt off your car at Seaway car wash on Prim Rd and make a donation on behalf of Project Grad - support this local business and tell your friends and neighbors!
- Drop bottles and cans for redemption at Cap 'n Cork - 164 Porters Point Road and donate to Project Grad 2022
- Make a donation through our GoFundMe page and please share with any contact you may have. [GoFundMe 2022](#)

ACTIVITIES & ATHLETICS

We are in the heart of winter sports and activities with Vermont's first State Champions to be crowned this weekend as the Debate State Tournament takes place at Saint Michael's College. All other winter activities and sports are in full swing. I would love to thank our community for all the support you have shown our students and our athletes this winter.

Please get out and support our winter participants whenever you can, and if you cannot remember you can catch Hockey games on the [LCATV Stream](#) and Basketball games on the [CHS YouTube channel](#).

Mark E. Ellingson, CHS Activities & Athletics Director

Hope everyone is staying warm and enjoying all the snow we have in Laker Land!

WINTER BALL 2022

Winter Ball is **Saturday March 19th** 7-10pm at the Delta Hotel on Williston Rd in South Burlington. Look out for posters and ticket sales after the February break!! Tickets will be \$20 and if any are left, \$25 at the door.

We are limited to 275 guests so only CHS students are able to attend, no outside guests.

Stay warm this winter with Laker gear from the CABA store. All orders will need to be picked up at Joann's in Colchester. [CHSCABA online store](#).

CABA meets on the second Tuesday of every month. Please join us at our next meeting on Tuesday February 8th. Anyone interested can email chscaba@gmail.com if they would like to attend the next meeting and/or if they have any questions about becoming part of CABA.

What does CABA (Colchester Athletic Boosters Association) do for Colchester High school sports?

CABA purchases uniforms for Cross Country, Field Hockey, Golf, Soccer, Alpine Skiing, Basketball, Dance, Nordic Skiing, Baseball, Lacrosse, Softball, Tennis and Track and Field. CABA also helps buy essential equipment and invests in large scale projects. These are expenses that are not covered by the school budget with tax revenue. All CABA apparel purchases help support this mission.

Parents, grandparents, friends and athletes are all welcome to volunteer with CABA.

- E-mail chscaba@gmail.com with any questions or to volunteer.
- Follow CABA on Facebook at <https://www.facebook.com/CABAVT/> or on Instagram
- Sign up at <https://smile.amazon.com/>. Pick Colchester Athletic Booster Association Inc, and a portion of your sales will be donated right back to CABA.

PARENT/ CAREGIVER SUPPORT OPPORTUNITY!

You can make **CHANGES!** And we'll help you get there.

CHANGES is a program that provides support for any student who would like to focus on issues of emotional well-being, mental health and wellness, substance use, or the life stressors that can emerge throughout the high school years.

Changes can support students to make healthier decisions and address challenges in their lives by:

- Increasing their awareness of their thoughts, feelings, and behaviors
- Building new skills and strategies for managing life stressors
- Becoming more informed, active, and responsible in their own decision making

If you would like to access support through the CHANGES program:

You can speak with Director of Student Support Services Jean Shea, 802-264-5714, or your School Counselor. We look forward hearing from you!

CHANGES is facilitated by Amy Jensen, MSW. Amy is a Social Worker with specialized expertise in working with teens, young adults, and families. Amy is a Clinician at Centerpoint and partners with Colchester High School to provide on-site, school-based screening, brief intervention, skills work, referral to services and supports, and family support as well. You can contact Amy Jensen for information at: 802-488-7717 or by email at

Save the Dates - Discover Engineering!

The Vermont 4-H Program and the UVM College of Engineering and Mathematical Sciences (CEMS) have teamed up to host a **variety of programs the entire month of February 2022 to promote the field of engineering**. Our goal is to expose youth to engineering, build skills and help youth understand different pathways they can take to pursue a future as an engineer.

Check out all of the different **FREE learning opportunities** happening during the month – all leading up to National Engineering Week, February 20-26, 2022. (**See attached flyers**)

Activities include:

- **Create Your Own Invention Contest** (grades 3-12), entries due February 19
- **Rube Goldberg Challenge** (grades 3-12), entries due February 19
- **How Did You Get There? Career Panel Series for Students**, topic "Electrifying Learning & Engineering," February 2
- **4-H World Changers: Learn to Code** (grades 5-12), starts February 3
- **VTTeen 4-H Science Pathways Cafes** (grades 7-12), in-person February 5, virtual February 22 (engineering focus)
- **4-H@Home Engineering Activities**, new activity shared each Monday in February

And, don't miss our hallmark event **DISCOVER ENGINEERING on Saturday, February 12, 2022 at the UVM Davis Center and other campus locations**. This event is for youth in **grades 5-12** and will have two distinct parts:

- In the morning youth participants will engage in an **Engineering Scavenger Hunt**. We have invited engineering businesses and CEMS student groups to host exhibit tables to share their work and engineering expertise. Each exhibitor will submit a question to include in the scavenger hunt; the answer to these questions can be discovered by visiting the exhibit tables. Collectively, this allows youth to learn about different kinds of engineering and career pathways. There will also be a robotics demonstration by some of the FIRST Robotics teams.
- In the afternoon participants will continue to connect with engineering professionals and UVM engineering students through **hands-on skill-building workshops**.

We hope you will encourage your students to participate in some of the programs and activities!

Please reach out with any questions.

Information and registration for each program can be found at:

SAT BOOTCAMP

Grades 9 - 11

Are you someone who is taking the upcoming SAT or looking to take the SAT again to improve your score? Want that extra step up on the competition and learn how to master this test to improve your college placement? Now in its Fourteenth year, SAT Bootcamp teaches proven strategies for this high stakes test in a unique four hour format. Focusing on powerful strategies, the interactive workshop prepares students for both the SAT and the PSAT. SAT Bootcamp reduces test anxiety through thorough familiarization and practice with reading, writing and language, and math sections, and increases test-taking confidence. Students will also come away with a clear idea of the sections on which they need to focus further study. For more information, go to www.satbootcampvt.com. *Currently facial coverings are required to be worn by everyone regardless of vaccination status.* Minimum: 10, Maximum: 25.
