Dear CSD Families,

This morning, Governor Scott announced that the winter school sports season will be postponed until further notice. They will review this decision each week moving forward in hopes that the recent case growth starts to decline. This means that tryouts and practices at CMS and CHS will not begin on Monday as originally planned.

We know this comes as a disappointment, however, please understand that these decisions are being made with the health and safety of our athletes in mind. The Governor stressed that he is hopeful Vermonters will adhere to the public health guidelines so that the sports season will be able to continue.

Sincerely,

Colchester School District
