# Reading Overview

Areas to improve:

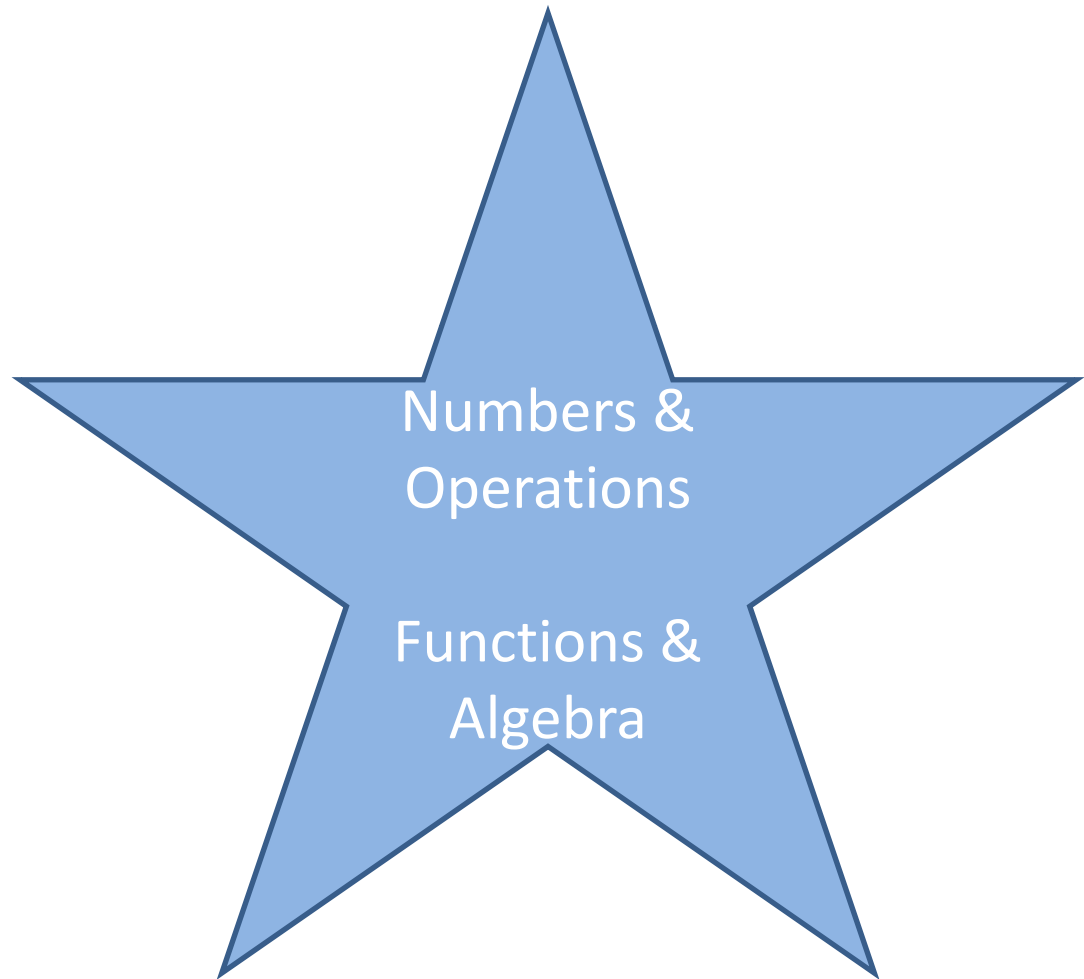

- Analysis and interpretation
- Response to literature
- Extended response

# Math Overview

Areas to improve:

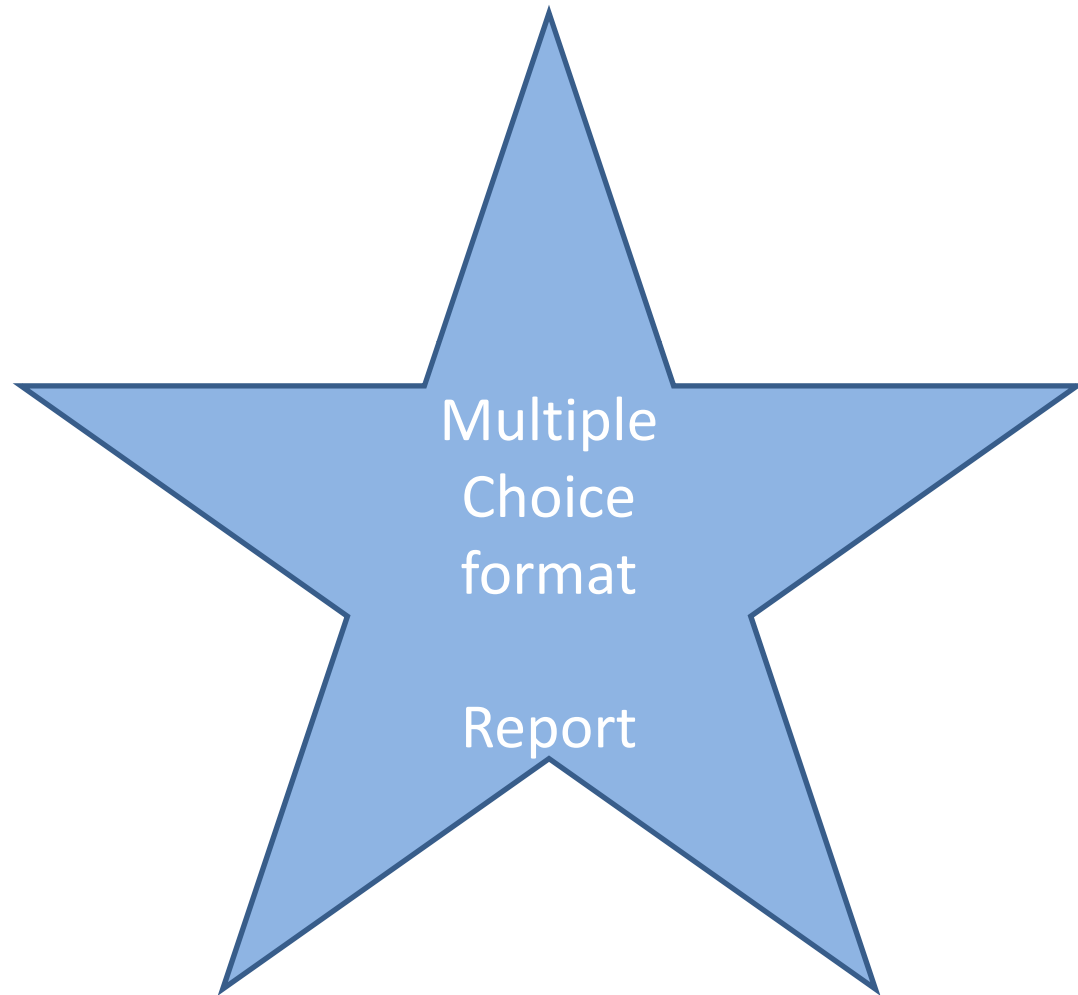

- Measurement  
(time, money, length, etc.)
- Data & statistics
- Geometry

# Writing Overview

Areas to improve:

- Extended response
- Response to literature

# AYP

Results come out in June

AYP is based on these  
NECAP scores +  
graduation rate

There may be no AYP  
score this year if the  
federal waiver is  
approved

The state will look for  
overall scores &  
improvements in  
reading & math for:

- All students
- Students with disabilities
- White students
- Free or reduced lunch

# Next Steps

- Share information with schools and community
- Analyze the data and released tasks
- Shift instruction based on the data

## Keep Common Core State Standards in mind

- First Smarter Balanced Assessment is in spring, 2015
- Common Core State Standards will be assessed
