# Big Ideas Understandings

## Community Helpers
- Everyone in a community has a job and a role.
- Each role is important to the function of a community.
- People in a community depend on one another

## A Place in Our World
- Similarities and differences of a given country and their own.
- A broader understanding of the world beyond her/his own experiences.

## Mapping
- How to read a map
- What information is needed to construct her/his own map
- The need for maps

## Assessment
- Unit projects
