Well Exam - Sports Participation Clearance Form

NOTE: How often a clearance form is needed to play sports, is determined by your school. This clearance form is the <u>only</u> Sports Participation Clearance Form supported by the Vermont Principals' Association, the Vermont Departments of Health and Education, and the Vermont Chapters of the American Academy of Pediatrics and the American Academy of Family Physicians. The American Academy of Pediatrics Council on Sports Medicine and Fitness developed the research based screening activities done during a Well Exam, to determine sports readiness.
