2019-2020 Colchester School District Bus Schedules

Important Messages

Pick up times and drop off times represent the first stop on each street.

All times are estimates based on last years routes and will be adjusted once routes are reestablished to consider changes that have taken place over the summer.

All students should be ready and outside waiting at the bus stop 5 minutes prior to scheduled bus arrival (not in the house or on the porch).

Any Students living on private roads will need to meet the bus at the intersection of the main public road it intersects with. Most High School and Middle School stops as well as some elementary are at the intersection of the main public road that intersects with the side streets.

Any Streets not listed should look for their times at the nearest public road intersection.
