III. Decision on Solar Project

Since last summer the board has been exploring options related to the participation in a solar array project. After numerous presentations and discussions, they agreed to pursue an offsite solar panel net metering arrangement with the Green Lantern Group (GLG). Analysis from GLG showed an estimated net savings of \$17,735 per year for the next 20 years from a 500 KW solar array, at no cost to the district. Business and Operations Manager George Trieb stated this agreement offers savings while limiting risk to district property. The district had legal counsel review the proposed net metering agreement and both parties have agreed to modified terms. Following a signed agreement, they would start construction in June and it would be operational in late July or early August.

Director White moved to approve the Net Metering Agreement with the Green Lantern Group as provided, seconded by Director Taylor. The motion passed unanimously, 5-0.

IV. Hear and Discuss FY'19 Budget Results (MOVED TO ITEM VIII)

The budget result was not in at the time of this agenda item. The board decided to postpone it until the vote was tallied.

V. Hear Quarterly Financial Report

Business and Operations Manager George Trieb provided the board with a brief update as it pertains to the quarterly financial report noting that spending is mostly in line with years past. If the current trends continue, the district would likely run a slight surplus of \$43,000. Manager Trieb noted that out of district spending was tracking significantly over budget to the tune of about

\$450,000. However, there were also some expenditures that were tracking under budget that would somewhat offset and revenue is received for additional special education spending.

VI. Approval of Recommendations for Administrator Contract Renewals 2018-2019

Superintendent Amy Minor provided the board with a memo outlining the contracts that she recommends to renew for the FY'19 school year.

Director Kieny moved to approve the superintendent's recommendation for administrator contract renewals for FY'19 as provided, seconded by Director White. The motion passed unanimously, 5-0.

VIII. Hear and Discuss FY'19 Budget Results (ORIGINALLY ITEM IV)

The school article regarding the FY'19 school budget passed with 1,482 votes in favor and 1,211 votes against. Following the announcement of the result, the board reflected on the community conversation during the town meeting on Monday evening. The board pondered how the district measures the quality of the schools. The conversation included a discussion about state-wide testing results and how they are viewed and valued by the board and community. The board raised questions regarding what the tests are assessing and how the district educates students on other components not included on the test. The board asked to continue this discussion at a later date to learn more about the SBAC assessment. Student Board Member Davis also raised a question about having a local testing site for the SAT.
