

Transportation

Transportation is paid for from Function 2700

The budget year we are planning for is governed by the 2012 – 2017 Student Transportation Agreement. The contract expires in FY'17.

The amount for Student Transportation made up as follows:

- \$985,000 for the general population one trip to and from school including Vocational Transportation and the Island bus.
- \$102,000 Co-curricular transportation.
- 45,674 for salaries and \$4,775 for payroll taxes and benefits for employees driving the SPED vehicles.
- \$175,000 for SPED transportation services (outside vendors) to include EEE.
