- Following current statute, the Tax Commissioner recommended a property yield of \$13,846 for every \$1.00 of homestead tax per \$100 of equalized property value, an income yield of \$16,705 for a base income percent of 2.0%, and a non-residential tax rate of \$1.385. These figures use the estimated \$64,000,000 surplus from the Education Fund. **New and updated data will likely change the proposed property and income yields and perhaps the non-residential rate.**

- Final figures will be set by the Legislature during the legislative session and approved by the Governor.

- The base income percentage cap is 2.0%.
