I. DEFINITIONS

- A. Policies** guide the school board, administrators and other district employees, students, parents/guardians, and community members by stating district goals and establishing parameters for administrative action.
- B. Policy or purpose statements** are written principles adopted by the school board to set basic philosophy concerning the operations of the school district. They should be brief, yet be specific enough to provide clear guidelines.
- C. Procedures** are developed by the superintendent or their designee to provide for the management of the district by describing how tasks will be carried out and board policies will be implemented.

II. POLICY DEVELOPMENT

- A.** Policies shall normally be adopted at regular school board meetings. Revision and removal of any policy shall be treated in the same manner as the adoption of the policy.
- B.** There shall be at least two accepted readings of each policy in the review process. The policy may be adopted or removed following the acceptance of the second reading, at the same meeting.
- C.** The school board shall provide public notice of its intent to adopt, revise, or remove any policy. This notice shall be made at least ten (10) calendar days prior to the adoption of the policy or revision. Usually, this notification will occur prior to the first reading of the policy.
- D.** The school board shall review the procedures and regulations associated with each policy upon adoption of the policy and upon revision by the superintendent.
- E.** The school board will use the Vermont School Board Association Model Policy Manual as an exemplary resource.
