COLCHESTER SCHOOL DISTRICT

POLICY: MANAGEMENT OF POLICIES

DATE ADOPTED: March 3, 2020

PURPOSE

VSA Title 16 § 563 specifies the powers of the school board and the duties of the board. The formulation and adoption of written policies is the basic method by which the board of school directors exercises its leadership in the operation of the school district.

I. DEFINITIONS

A. **Policies** guide the school board, administrators and other district employees, students, parents/guardians, and community members by stating district goals and establishing parameters for administrative action.

B. **Policy or purpose statements** are written principles adopted by the school board to set basic philosophy concerning the operations of the school district. They should be brief, yet be specific enough to provide clear guidelines.

C. **Procedures** are developed by the superintendent or their designee to provide for the management of the district by describing how tasks will be carried out and board policies will be implemented.

II. POLICY DEVELOPMENT

A. Policies shall normally be adopted at regular school board meetings. Revisions of any policy shall be treated in the same manner as the adoption of the policy.

B. There shall be two accepted readings (reviews) of each policy/revision. The policy may be adopted following the acceptance of the second reading, at the same meeting.

C. The school board shall provide public notice of its intent to adopt/revise any policy. This notice shall be made at least ten (10) calendar days prior to the adoption of the policy or revision. Usually, this notification will occur prior to the first reading of the policy.

D. The school board shall review the procedures and regulations associated with each policy upon adoption of the policy and upon revision by the superintendent.

E. Policies shall be codified in accordance with the Vermont School Boards Association’s Model Policy Manual. All policies in effect upon the adoption of this policy shall be recoded and named to match that codification system.
F. It is the board’s intention to review each policy every five (5) years.

III. **ADMINISTRATIVE RESPONSIBILITIES**

A. The superintendent or their designee shall manage the implementation of this policy. They will ensure that each policy is formatted and codified in accordance with the district format and VSBA codification.

B. The superintendent or their designee shall maintain the master policy manual. This manual shall contain the most recent adopted version of each policy and shall be the copy referred to if questions arise.

C. The superintendent or their designee will maintain and up-to-date copy of the policy manual for public review. Updated policies will be posted publicly within five (5) days of adoption/approval.

D. The district’s web site will contain copies of all policies.
