

OSPREY NEWS

FEBRUARY 18, 2022

Dear Malletts Bay Families,

We are looking forward to seeing you during our virtual conferences on Monday, February 28th and Tuesday March 1st! Here are a few updates for you as we head into school vacation next week (February 21st - 25th).

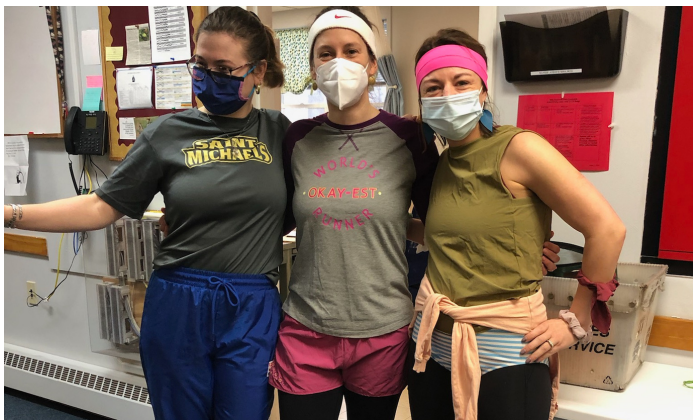

Because of the unexpected school closure due to weather we were unable to send report cards home today. **Report cards will now go home when students return to school on Wednesday, March 2nd.**

As Superintendent Minor shared earlier in the week, the district will be distributing antigen tests on Voting Day: Tuesday, March 1 at the Bayside Activity Center. From 1-4 pm families and employees can stop in to do a rapid test and/or pick up test kits. The Bayside Activity Center is located at 36 Blakely Road at the entrance to Bayside Park.

Finally, During the month of March we will begin the process of slowly combining pods of students during recess, as it has been almost 2 years since students had a recess with mixed classrooms. When we return from vacation we will review recess expectations and hope to begin combining cohorts by the middle of the month. I will keep you updated on our progress as a school in this newsletter!

Respectfully,

Ms. Burke
