

OSPREY NEWS

MAY 27, 2022

Dear Malletts Bay School Families,

Our fifth grade band and chorus students did a wonderful job performing this afternoon during our afternoon concerts. Our students watching were also very respectful audience members! Here are a few updates for you as we enter the last few weeks of the school year:

The MBS Library will allow 3rd and 4th grade students to check out up to five books over the summer. If your child takes advantage of this, please help them to keep the books safe, and to return them either during the summer or next August. To return books when school is not in session you can use the big library return box to the left of MBS' front doors.

On the morning Thursday, June 9th students entering grades 3-5 will have a chance to briefly meet their teachers and classmates for the 22-23 school year. We'll be busing incoming third graders to MBS on those days. Families will be notified of their child's placement in a letter that goes home with students.

Finally - we earned another schoolwide celebration. On Tuesday, May 31st the East Coast Ice truck will be coming and every student and staff member will get a chance to enjoy some shaved ice!

I wish you a safe and happy Memorial Day Weekend,

Respectfully,

Ms. Burke

We are so proud of our fifth grade band and chorus students!

Upcoming Dates

May 30: Memorial Day; No School

June 2: PTA Meeting @ MBS School
(6:30 pm)

June 3: Field Day

June 7-9: Bayside Days

June 9: Step Up Day

June 10: Last Day of School

Preschool

The preschool has spent the past five weeks studying insects, their life cycle, habitat, and whether they are helpful or harmful. They learned many new vocabulary words and engaged in different learning activities to make the learning hands-on and personal. We will be discussing going to kindergarten, saying a healthy goodbye to friends for the summer, and summer vacation for the remainder of the school year.
