

June 2019

Dear 4th Grader,

Welcome to 4th grade in the Lighthouse! My name is Mr. Cheney and I'm very excited to be your 4th grade teacher. Let me tell you a little about myself. I have been teaching fourth grade at Malletts Bay School for 20 years. I live in South Burlington with my wife and three children. In the summer, I work odd jobs, and spend time with my children running, going to the beach, fishing, bike riding, and reading. How about you, how do you spend your summer? Be ready to tell me on the first day of school!

Although it may seem difficult to think about school now, fall will be here before you know it! Below, I have listed some supplies - all supplies are optional, I will supply anything you don't have - that may be helpful to have once we get started:

pencils (3 dozen or more)
whiteboard eraser
dividers (5-pack)
highlighter
headphones

box of Kleenex
3-ring binder (1½ inch)
glue stick
dry erase marker
Small pencil box

I will provide you with other needed supplies.

I am looking forward to a fun year together filled with lots of exciting activities, challenges, learning, and laughter. Enjoy your summer, read, study your math facts (xtramath.org), and I'll see you in August!

Sincerely,

Mr. Cheney
