

# UNION MEMORIAL SCHOOL

2015-2016

Climate and Communication Survey Results

## Introduction – Parent Survey

The parent survey was conducted January 8–22, 2016. There was a 49% return rate with the following breakdown by grade level:

- ❖ Kindergarten – 45 responses
- ❖ First Grade – 49 responses
- ❖ Second Grade – 31 responses

## Introduction – Student Survey

The student survey was conducted in early March 2016. It was administered to every student in the school.

**98%** Parents feel welcome at Union Memorial School.

**99%** Parents state their child enjoys going to school.

**99%** Parents feel their child is safe at Union Memorial School.

**96%** Parents feel the communication between school and home is adequate.

**98%** Parents feel they receive a timely response to their concerns (or had none).

**100%** Parents feel they can talk to their child’s teacher(s) with ease.

**99%** Parents would recommend Union Memorial School to other parents.

**98%** Feel UMS is safe.

**95%** Feel the playground is safe.

**92%** Feel the bus is safe.

**99%** Have friends at UMS.

**99%** Know the school rules.

**99%** Have an adult at UMS they can talk to about a problem.

### Overall Impression

I couldn't be more pleased with these results. I was particularly proud of the general comments parents wrote at the end of the survey. Parents and students feel welcome, respected and enjoy their educational experience here.

Chris Antonicci, Principal
